

Post ebook No. 5: Best of Barbara Kay, Vol. I

[National Post](#) - Sunday January 29th, 2012

National Post Staff, National Post

Tuesday, January 24, 2012

In her columns on subjects ranging from Canadian literature to our educational and legal systems' bias against boys and men to honour killings, Barbara Kay is sharp, provocative and never afraid to go against the conventional wisdom. This collection of her best work illustrates why she is one of the National Post's best-loved columnists...
